

The Love Story of Kevin and Kate

The Love Story of Kevin and Kate began just like numerous other stories of romance, Kate was in debt and being hassled by a bill collector...

("1 Kevin and Kate first meet")

Instead of becoming friends, Kate had other ideas...

("2 Kevin and Kate Gym Crush")

Then came the day that Kevin was going to make the first move, but Kate couldn't quite figure it out. This is a little longer, but you have to hear Kate's description...

("3 Kevin and Kate first date")

Now, did it come as a surprise that after their first date, they shared their first kiss...

("4 Kevin and Kate first kiss")

Fast forward a little, obviously, the relationship continued, you know, like every where they went birds would sing in unison and small forest creatures would gather in pairs. Ok, maybe not, but Kevin did have a plan to take the next step...

("5 Kevin and Kate talk marriage")

So then came the actual proposal...

("6 Kevin and Kate discuss proposal")

Ladies and Gentlemen, I would like to share with you how Kate and Kevin ended their Love Story. They will each be hearing these words for the first time.

I asked Kate what makes Kevin the perfect man for her...

("7 Kate tells why Kevin is perfect")

Then I asked Kevin why Kate is perfect for him...

("8 Kevin tells why Kate is perfect")

Friends, Family, for their first dance as husband and wife, please welcome Kevin and Kate Sullivan...
