

The Love Story of James and Jess

Now, we all know why we are here, but not everyone knows just how this relationship got to this point. So, I would like to share with you James and Jess's Love Story.

The Love Story of James and Jess began like any typical 21st century relationship ...

("1 James and Jess first meet")

And so they met, sort of, more so you could say that James got to preview Jess on the football field...

("2 James and Jess first date")

And blossomed it did even after several moves half-way across the country, but they both knew that long distance was not for them and how this relationship was vastly different than any other...

("3 James and Jess's relationship grows")

From there, the relationship progressed quickly, however, not quickly enough for Jess...

("4 James and Jess talk marriage")

So after James realized that there was no one else, James started to make plans, fooling everyone, and keeping Jess on hold. And, because she does such a great job telling the story, I'll let Jess finish by describing the proposal. In this recording of course...

("5 James and Jess describe the proposal")

Ladies and Gentlemen, I would like to share with you how Jess and James ended their Love Story. They will each be hearing these words for the first time.

I asked Jess what makes James the perfect man for her...

("6 Jess tells why James is perfect")

Then I asked James why Jess is perfect for him...

("7 James tells why Jess is perfect")

Friends, Family, for their first dance as husband and wife, please welcome James and Jess West...
