

## **The Love Story of Robert and April**

Now, we all know why we are here, but not everyone knows just how this relationship got to this point. So, I would like to share with you Robert and April's Love Story.

The Love Story of Robert and April began when April noticed Robert "walking away"...

("1 Robert and April first meet")

So Robert, of course, needed advice on running, but April had other intentions...

("2 Robert and April date")

But a couple of days later, they were on a date and making a connection...

("3 Robert and April knew it was special")

So, I have to share with you that story of the first kiss...

("4 Robert and April first kiss")

It didn't take long before Robert and April went from First Kiss to taking backpack trips to Peru to saying I Love You, but it was when Robert's grandfather passed away and his mom got sick that Robert's I Love You meant so much more...

("5 Robert and April I Love You changed")

Then Robert made plans for the proposal and this is how it happened...

("6 Robert and April describe the proposal")

Ladies and Gentlemen, I would like to share with you how April and Robert ended their Love Story. They will each be hearing these words for the first time.

I asked April what makes Robert the perfect man for her...

("7 April tells why Robert is perfect")

Then I asked Robert why April is perfect for him...

("8 Robert tells why April is perfect")

Friends, Family, for their first dance as husband and wife, please welcome Robert and April Storck...
