

The Love Story of Chris and Alissa

Now, we all know why we are here, but not everyone knows just how this relationship got to this point. So, I would like to share with you Chris and Alissa's Love Story.

The Love Story of Chris and Alissa began just like any other couple trying to do handstand walks...

("1 Chris and Alissa first meet")

So Chris waited patiently for Alissa to dump the zero and get with the hero...

("2 Chris and Alissa date")

With such a romantic start of clubbing and morning pancakes, Chris and Alissa knew this was different...

("3 Chris and Alissa knew it was special")

It wasn't long before these two went from saying I Love You to talking about being together forever, but even though they knew, they wanted to wait until after all the schooling was finished...

("4 Chris and Alissa talk marriage")

So this is how it happened...

("5 Chris and Alissa describe the proposal")

Ladies and Gentlemen, I would like to share with you how Alissa and Chris ended their Love Story. They will each be hearing these words for the first time.

I asked Alissa what makes Chris the perfect man for her...

("6 Alissa tells why Chris is perfect")

Then I asked Chris why Alissa is perfect for him...

("7 Chris tells why Alissa is perfect")

Friends, Family, for their first dance as husband and wife, please welcome Chris and Alissa Bellios...
