

The Love Story of Matt and Maddie

Now, we all know why we are here, but not everyone knows just how this relationship got to this point. So, I would like to share with you Matt and Maddie's Love Story.

The Love Story of Matt and Maddie began when they both attended the same 21st birthday celebration...

("1 Matt and Maddie first meet")

After the party ended, most of the people stayed over at the house overnight and into the next morning, but Maddie reluctantly had to catch an early morning bus back to Boston...

("2 Matt and Maddie first date")

And of course, Matt did, but it would take a while, maybe a little too long for Maddie, before Matt would say I Love You first...

("3 Matt and Maddie's relationship grows")

And as their love grew over the years, distant or not, discussions about marriage started to seep into the conversation...

("4 Matt and Maddie move toward marriage")

After they moved in together, it seemed like things were much easier than ever before, and before long, Matt was making plans...

("5 Matt and Maddie describe the proposal")

Ladies and Gentlemen, I would like to share with you how Maddie and Matt ended their Love Story. They will each be hearing these words for the first time.

I asked Maddie what makes Matt the perfect man for her...

("6 Maddie tells why Matt is perfect")

Then I asked Matt why Maddie is perfect for him...

("7 Matt tells why Maddie is perfect")

Friends, Family, for their first dance as husband and wife, please welcome Matt and Maddie Coleman...

("You Make it Easy" by Jason Aldean)
